Special Watering Needs?

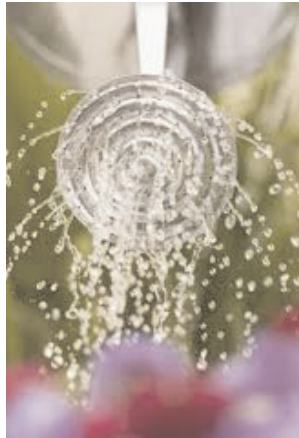

Have you recently reseeded your lawn or installed some sod? Users may make application to the City for a special waiver for special watering needs.

The City asks that individuals voluntarily water as outlined, but individuals watering on unauthorized days can be subject to the following penalties:

1. First time offenders may be issued a verbal warning.
2. Second Offense - Twenty Five dollar (\$25) fine.
3. Third Offense - Fifty dollar (\$50) fine and raw water turned off and sealed for the balance of the irrigation season with no refund of the yearly fee.

The City of Cody has put together a brochure to assist those who are interested in learning about maintaining a healthy lawn. The brochure is available at City Hall or at the following link:

Raw Water-- Reminder

Raw water users are allowed to use raw water on the following schedule until the first Monday in October.

ODD NUMBERED ADDRESSES:

Tuesday, Thursday & Saturday

EVEN NUMBERED ADDRESSES:

Wednesday, Friday & Sunday

**Mondays
are non-watering
days for all.**

We live in a unique community where an irrigation water system was created to allow residents and some businesses to water yards with less expensive untreated water.

This system does not extend throughout the community, so in many residential areas there is a discounted rate for treated water during the summer months to allow for irrigation use. Cody's raw water system is not metered, so customers pay a flat rate based on the size of their raw water tap. The City does encourage water conservation in an effort to preserve the life of the pumping system as well as the nation's water supply.

The alternating days of use do not apply to the City and Park County School District 6 with regard to recreation fields, parks and school grounds.

Summer Roll-Out Customer Yard Waste Collection Program

Beginning July 1, 2014 the City of Cody will be implementing a yard waste collection program for roll-out customers. Household trash containers will only be emptied one day a week, on their normal pick up day. Yard waste containers will be emptied on what, in the past, was the second pick up day.

Customers must opt-in to receive their yard waste container. For those customers who have opted-in a container will be delivered during the last week in June. Along with the container customers will receive a flyer with more details and a calendar highlighting their pick up days.

Roll-out customers who did not receive a letter outlining the yard waste program, or who would like to opt-in for the program may call the Public Works Shop at 587-2958.

Would you like to view and print a calendar of your roll-out pick up days for 2014? Visit our Solid Waste Collection page on the City website: <http://www.cityofcody-wy.gov/index.aspx?NID=203>

Solid Waste Holiday Collection Schedule

Friday, July 4th, 2014:

- * Residential rollouts will be picked up on Thursday, July 3. Residential and commercial dumpsters will be picked up prior to Friday.

Monday, September 1st, 2014:

- * Residential rollouts will be picked up on Tuesday, September 2. Residential and commercial dumpsters will be picked up between Tuesday, September 2 and Wednesday, September 3.

If you have any questions please call 587-2958.
This schedule may vary
due to unforeseen circumstances.

Concerts in the Park

Grab your friends and family for another great summer of FREE live music in downtown Cody! The City of Cody's annual concert series continues this summer on Thursday evenings from 6-8 p.m. in the City Park Bandshell, July 10 through August 14. Our Annual Ice Cream Social is scheduled for the final Friday concert on August 22.

This season's schedule includes a diverse array of artists who will entertain audiences with their bluegrass, folk, Americana, Celtic, roots, country, swing, blues, 60s & 70s rock, Wyoming roots music, roots country, cowboy music, and other musical selections.

Pack a picnic basket or visit one of the food vendors in the park. Bring your own seating! These concerts are made possible thanks to many generous donors. Thank you for your support! For more information, call (307) 527-3490 or visit www.cityofcody-wy.gov
